Friday 26th June 2020

Dear Parents/ Carers,

End of Summer Term: Wednesday 15th July 2020

The end of this school year is very different as will be the beginning of the next.

The COVID-19 pandemic has affected our lives in unimaginable ways, and yet we are still managing to bring order to this very unsettling situation. All of the difficult decisions that we as a school have made over the last few months were to ensure the safety of our children, families and staff. This has been our top priority and will continue to be as we make plans to open in September.

I would like to take the time to say thank you to all parents/carers for supporting D'Eyncourt and for those parents who have continued their child's education from home. We appreciate the difficulties you may have faced. It has been lovely to see so many of our children on our Twitter feed working from home. Our D'Eyncourt staff have worked extremely hard and I would like to thank them for their continued efforts. While none of us could have anticipated the circumstances with which we were forced to adapt to, I am very proud of what we have all accomplished together.

Children who currently attend school will break up for the summer holidays on Wednesday 15th July at 3pm. We have moved this date forward due to planned building work that is due to begin on Thursday 16th July. Our mobile classroom is being demolished and a brick built classroom will be erected in its place. Due to health and safety reasons, pupils will not be permitted on site.

Our next academic year is still uncertain and we are following the ever changing DfE guidelines to plan the full reopening of D'Eyncourt. At the moment, we are unsure what this will look like; whether this will be full time for all year groups or different year groups may have allocated days or weeks. Our main aim is to get back to some form of normality as soon as it is safe to do so. My aim is to share this plan with you before the children finish for the summer term.

Once again thank you for your continued support through these unprecedented times. I look forward to seeing you all very soon.

Yours sincerely,

DDarby
