'LOCAL LOCKDOWN' AND ATTENDANCE

Dear Parents/ Carers,

The government has announced changes to Wolverhampton to prevent the spread of Covid-19 that will be in place from tomorrow (Tuesday 22nd September 2020). **Wolverhampton has become an area of national intervention** due to a sustained rise in coronavirus cases. Latest data shows that confirmed cases have risen fivefold in two weeks and daily numbers continue to fluctuate.

THIS DOES NOT MEAN THAT SCHOOLS WILL CLOSE. All necessary safety measures are in place in school to allow us to remain fully open.

Schools will remain open for all students, but from Tuesday 22nd September we have made a couple of changes in light of the government local lockdown. **We ask that all adults entering our school site must wear a face mask where possible and that only one adult per family attends school during drop off and collection times. Please note our one way system will remain in place.**

Attendance

We know that children get ill with regular colds however we need to ensure that children are not sent into school if they have Covid-19 related symptoms. Please use this guide to support you in making the right decision.
