Class Dojo

The winning classes the week before Easter were

1/2B and 3/4B

The winning classes this week were

Rec and 3/4B

Well done everyone!

A very warm welcome back to school to you all this week. I hope that you enjoyed the Easter break and that you were able to take the opportunity to meet with friends and family in open spaces and gardens. It does feel that things are edging towards a little more normality and as the weather continues to improve, the sunshine really helps to lighten the mood!

At this point in time, there are very few amendments to the guidance for schools and as such, we will be continuing to implement the COVID-19 measures that we have in school. This particularly means the staggered start and end to the day will continue as will the requirement to wear face coverings when entering the school site.

We will bring you further information with regard to any changes as soon as we can, but please understand that anything planned will be subject to the Government guidance and the continuation of the 'roadmap' out of lockdown. It has been great to see all the children back in school after the break. They have settled well and are ready to work hard for the summer term.

Thank you again,

Mrs Darby

Attendance

Our attendance has been excellent this week at **98.1%** — thank you for your support with this.

The week before Easter the winning class was **Rec G**

This week, the winning class was **5/6P**

Well done to these classes!

Dates for your diary

May 2021

3rd—Bank holiday (school closed)

5th— Maths Day—See Class Dojo for more details

6th— Local Elections (school closed to pupils - Remote Learning Day. More details to follow)

14th—Pyjamarama Day—See Class Dojo for more details

28th— Break up for half term

June 2021

7th—Return to School

July 2021

16th—Children break up for Summer

Face Coverings

Thank you to all parents/ carers for wearing a face covering on site. Wearing a face covering can help stop the spread of COVID-19. and we need everyone to follow this guidance. While wearing a face covering can help protect fellow parents/ carers, please remember to still keep your distance (two metres) and wash your hands frequently. Thank you for your support.

Earth Day

On Thursday 22nd April, we celebrated Earth Day in school!

In school today, the children learned about how we can save our planet and if everyone 'does their bit', we can make the earth a better place to live. From Reception to year 6, the children took part in discussions about what we can do to help.

In school, we are trying to improve our environment by creating a flower bed and decorating our fences with flowers to create a reading garden. Thank you for your donations of 2 litre bottles—we now have enough to complete the petals so thank you!

Thank you for your donations towards our garden fund! We raised £100. This money will be used to purchase compost, seeds and flowers to add to the garden! Thank you for your continued support.

WORLD MATHS DAY

Maths Day

World Maths Day is one of the world's largest global educational events. Taking place on the 5th May 2021, this day aims to get pupils excited and enthusiastic about learning maths!

World Maths Day was created by Australian digital learning resource developer 3P Learning in 2007. The first World Maths Day was held on 5th May (3.14, or "Pi Day") of that year, and almost 300,000 students from 98 different countries participated in online competitive games centred around mental maths problems.

At D'Eyncourt we will be celebrating this day by hosting a number of exciting mathematical activities. There will be no donation for this event and children will wear their uniform as normal.

Parking and Driving around the School

Please can we remind parents and carers to not park directly by the school entrances or on the restricted areas by the school. It causes an obstruction for the parents and carers bringing their children to and from school which could result in an accident.

We have had reports of parents driving along the pavements around school which of course is very dangerous - please take care when dropping and collecting your children at school. The police are now monitoring the parking by schools in Wolverhampton and we will be informing them of any further cases of parking without the care and consideration to others.

Wolfie Visit

At the end of last term, we had a surprise visit from Wolfie himself! He visited all of the classes and wished everyone a happy and safe Easter. He brought with him a special Easter Egg for one lucky pupil. We had a lucky dip and the winner was...
Tiago C. Thanks Wolves!

Gardening

During the Easter Break, a number of members of staff came into school to work on the new reading garden at the front of the school—you have probably seen some of the progress as you walk around the site. Thank you for your donations of plastic bottles—they have been and will continue to be used to create the rest of the flower and the children will be using them to create planters and bird feeders.

They were also busy tidying the borders at the back of the school. As you will see, the garden is looking fabulous and we can't wait to get it finished! Well done to all the staff involved - thank you for your hard work!

Pyjamarama Day

Pyjamarama is returning for a third time and will take place this year on Friday 14 May 2021. Pyjamarama day is all about getting children excited about reading and on this day we are inviting the children to come to school in their pyjamas for the day and have a day to celebrate all things reading—particularly poetry!
There is no donation for this event.
