The winning classes this week are 1/2P and 3/4B

Well done everyone!

Attendance

This week, the winning class are 1/2P with 100%

Well done to this class!

Celebrating Success Outside of School

Niall, Rio C, Ansh - Football award

Hazel - Beavers Award

Ekam - Swimming

Hello and a warm welcome back to school for the summer term. We hope that you had an enjoyable break and were able to enjoy some family time and some exciting days out. This week we have had a busy few days but there is a calm and purposeful atmosphere around the school. Children have been working hard and enjoying seeing their friends again. The summer term is always busy and we are scheduling a range of events as we return to normality. However, this does have to be balanced with our most important job, which is teaching and learning and making sure that our children make good progress.

We have seen the children return to the school field at break times and lunchtimes and enjoy the vast outdoor space and all that it offers. It has been heartening to see all year groups enjoying their time outdoors in the early summer sunshine! Please ensure with warmer days approaching, the children have water bottles with them, their jumpers/ cardigans are named and they bring a hat.

I hope you all enjoy the bank holiday weekend and we will see you back on Tuesday. Mrs Darby

May 2022

Dates for your diary

2nd - BANK HOLIDAY - School closed

3rd - Year 5 Digital Ambassador Training

4th - Bikeability training for Year 4

5th - Polling Day - Remote learning day - information for the day will be shared on Class Dojo

Queen's Jubilee Celebration

On Wednesday 25th May, we will be celebrating the Queen's Platinum Jubilee in school. Today, in assembly, each class were given a decade and they have been tasked to create a 3D display in the KSI corridor by 27th May. A prize for the class will be awarded for the best display. Children can do some research at home of their decade/s to add to the display.

Reception - 1980s

1/2H - 2000s

1/2P - 1920's and 30's

1/2B - 1990s

3/4T - 2020s

3/4B - 1970s

3/4C - 1950s

5/6P - 1960s

5/6K - 1940s

5/6H - 2010s

On Wednesday 25th May, we will be asking children to come dressed in red, white or blue and they will take part in activities based around the Platinum Jubilee and create some fantastic work for our corridor display. We will be taking lots of photos on this day.

On Friday 27th May, we will have a Jubilee picnic lunch on the field. Our kitchen staff will prepare a picnic lunch for the children who are school meals on this day or your child can bring a packed lunch. If possible, and providing it is dry, we would like children to bring in picnic blankets on this day so that we can all sit together on the school field and enjoy the celebrations.

Year 6 Pioneer Meeting

The Year 6 residential visit to Pioneer Centre is getting closer and this week we held our information meeting. Thank you to the parents/ carers for attending. The information has been shared on Class Dojo as well. If anyone has any questions or anything they would like to talk about regarding the trip, please contact Miss Ford. Please can all medical/contact forms be returned as soon as possible. Thank you.

Wolves Foundation Food Hampers

Before the holidays, we teamed up with Wolves to provide food hampers for our D'Eyncourt community. We hope that this small token helped to support you and your family over the break.

Thursday 5th May - Remote Learning Day

On Thursday 5th May, the school is being used as a polling station so school will be closed to pupils. Remote learning will be provided for all year groups and all information will be uploaded to Class Dojo. Check next week for updates.

Earth Day

Today, we have been celebrating Earth day and focusing upon climate change. We have been looking at the importance of trees to try and help to combat the problem of climate change.

Reception have been looking at the variety of trees we have on our school ground and identifying them. They have been discussing the effects of climate change in class/

Year 1/2 have been looking at the variety and number of trees we have on our school grounds and looking at the benefits of trees and how they protect the environment. Today, they have been making posters about the importance of trees to the planet.

Year 3/4 have looked at the problems and impact of deforestation and what can be done about this. They have discussed rainforests and how rainforests are endangered.

Year 5/6 have been looking at Greta Tunberg and watched her speech about climate change. They have been inspired to write their own speeches.

This has been a really important day for our children to learn about such important issues.
