Class Dojo

The winning classes last week were 1/2B and 3/4C

The winning classes this week are 1/2H and 5/6K

Attendance

Last week, the winning class was Rec M with 98.9%

This week, the winning class is Rec G with 98.9%

Well done to these classes!

Celebrating Success Outside of School

Amelia C, Georgia C, Leon P.H, Sam W - Swimming

Jensen R, Laurie Y, Oscar N - Football

Olivia K - Karate

Harvey W - Dance

Cara and Charlie - 8 mile walk for charity

Sophia R - Gymnastics

Hazel - Rainbow award

Aradhana - Piano grade - Distinction

Hello everyone! We hope that you all had an enjoyable half term break. Summer 2 has got off to a flying start with lots of fabulous learning taking place across the school during the last fortnight. Congratulations and well done to all the children in Year 1 who have all taken their statutory Phonics Screening Check. All children involved have been amazing and should be very proud of themselves and their achievements! You are all superstars! Year 4 children have started their multiplication check and that will continue next week - well done to these children!

Well done and congratulations to the children in year 1 who attended the cricket festival in Wolverhampton this week. It is brilliant to see children going out and about again taking part in sports across the city. It was so special as well this week as we took part in the 'pass the baton' ceremony for the Wolverhampton Games. Long Knowle Primary delivered the baton to us this week and we proudly passed it on to St Marys Primary with a group of children. It was a wonderful experience for our children to be part of.

Have a wonderful weekend! Mrs Darby Headteacher

June 2022

Dates for your diary

22nd - Wolverhampton Games KS2 (15 Children attending)

23rd/24th - Year 5 Peer-Mentor Training (12 children)

27th - 1st July - Sports Week - More details to follow

27th - Year 1 and 2 Sports Day (10- 11am)

28th - Year 5 and 6 Sports Day (10- 11am)

28th - Wolverhampton Games KS2 (15 Children attending)

29th - Year 3 and 4 Sports Day (10- 11am)

30th - Reception Sports Day (10- 11am)

July 2022

4th - Rec/KS1 Book Showcase - More details to follow

6th - KS2 Book Showcase - More details to follow

8th - Year 6 Leavers Party (3.30- 5.30pm) More details to follow

13th-Reception Graduation Assembly 9.30am

18th - Year 6 Leavers Assembly - More details to follow

19th - Break up for summer!

Wellbeing Award for Schools

Wellbeing Award for Schools

2022-2025

As you are aware, the school has been working hard to achieve the Wellbeing Award for Schools and this week we had our final verification and we have achieved the award! This is fabulous news for the school. There are lots of exciting initiatives that have been put in place to strengthen our Mental Health and Wellbeing provision here at D'Eyncourt. Some of these involve the training of a member of staff in Mental Health First Aid in order to support our whole community more effectively, training Mental Health and Wellbeing Ambassadors who help us develop the support we can offer, a Mental Health awareness Display Board which shares key messages and information about where to find support, and many updates on Class Dojo and our school website. Thank you to everyone who completed surveys for us, we look forward to continue working on mental health and wellbeing and sharing information with you.

Sun Safety

Summer has finally arrived and with warmer days here it is imperative that children have sun hats and water bottles with them every day. If you wish, please send children into school wearing sun lotion. If you wish to send them in with the lotion, we are unable to apply it but we can direct them.

There are many benefits to children having water throughout the day - a hydrated child is a happier child! These include:

- It boosts learning
- It's healthy
- It keeps you hydrated
- It encourages good drinking habits
- It improves attention.

All children need to bring a named water bottle to school every day. Children can refill their bottles throughout the day and encourage them to drink regularly, particularly in the hot weather.

Wolves Penalty Shoot Out

Wolves Foundation held their sponsored Penalty Shootout at D'Eyncourt last Friday and it was a fabulous day! The children were outside in the sunshine trying to defeat Wolfie! The children managed to score quite a few penalties against the Wolf and it was a fun experience for all. A huge thank you to everyone who sponsored the children. There is still time to get sponsorship money in. Thank you so much for your support with this event!

Class Photographs

This week, the school photographer came into school to take pictures of the children in their classes. As it was such a lovely day, we went outside on the field for the photographs. If you would like to purchase any of these pictures, you are able to order online.

Year 1 Cricket Festival

Our Year 1 cricket team were off this week to compete in a cricket festival. The children were very excited to attend, even with minimal cricket knowledge but they thoroughly enjoyed the experience of learning a new skill and representing. Well done!

Jubilee Competitions

Well done 1/2H and 5/6H who won the Jubilee display competition - it was so hard to pick winners as they were all brilliant! Well done also to Harlow F and Sophia Grace for their wonderful designs for the Queen's Jubilee colouring competition.

Wolverhampton Games Baton Relay

This week, we were invited to the Wolverhampton Games Baton relay - a celebration of sport, schools and the Commonwealth Games 2022. On Tuesday, we had a fantastic morning welcoming Long Knowle Primary bringing to us the baton. We welcomed them with posters, flags and huge smiles. In turn, our Best Ambassadors and some other children, who are great representatives of D'Eyncourt, took the baton to the next stage of its journey - St Mary's RC School. It was a wonderful morning celebrating sport in the city. We look forward to some children representing D'Eyncourt in the games over the next couple of weeks. Well done everyone!

60 years of D'Eyncourt

As you may have seen on Class Dojo, D'Eyncourt is celebrating its 60th anniversary so if you attended D'Eyncourt and have any photos at all, please share! Please email the school office office@deyncourtprimary.com or drop Mrs Darby or myself a message on Class Dojo.

Chickenpox in School

We have a few cases of chickenpox at the moment in school. Chickenpox can spread quickly, so how can you help your child, and how long do they need to stay off school?

Is it chickenpox?

The most obvious sign of chickenpox is the distinctive rash (look at NHS photos of the chickenpox rash to see exactly what to look for). It starts with itchy red spots which can break out anywhere on your child's body. These spots then turn into blisters filled with fluid, which could spread across the body or stay in one area.

How is chickenpox spread?

Chickenpox is a highly infectious illness. There are two ways in which it spreads:

- by touching the blisters, saliva or snot of someone who's infected, or by touching their clothes or bedding.
- By being in the same room as someone who's infectious: droplets from coughing and sneezing hang in the air and can be transmitted.

This explains why chickenpox often spreads quickly throughout schools, even with good hygiene. In addition, children who are developing chickenpox are infectious around two days before the spots start to break out. This means that they can transmit the virus without knowing.

If your child has been exposed to chickenpox, you might wonder if you should keep them at home in case they've picked up the virus and are infectious. 'However, they shouldn't be kept home at this stage,' says PHE's spokesperson. This is because they may not be incubating the virus, meaning they're missing school unnecessarily.

How long should your child stay off school?

Your child should be kept off school until every blister has scabbed over. This is usually around five days after the first spot appears.

Sun Safety Information

How to Protect Yourself from the Sun

Ultraviolet (UV) radiation from the sun can damage our skin. Use this guide to help you stay safe in the sun:

UV-Index Level	What you should do to stay safe in the sun
1-2 Low	No protection required
3-5 Moderate	You should : <ul style="list-style-type: none"> • slip on some protective clothes, • slop on some sunscreen, • slap on a hat, especially if you have fair skin.
6-7 High	You must : <ul style="list-style-type: none"> • slip on some protective clothes, • slop on some sunscreen, • slap on a hat • wrap (cover) up.
8-10 Very High	You must : <ul style="list-style-type: none"> • slip, • slop, • slap, • wrap • seek shade.
11+ Extreme	You must : <ul style="list-style-type: none"> • avoid outdoor activities during the day, • slip, • slop, • slap, • wrap, • seek shade.

THE FIVE S'S OF SUN SAFETY

1. SLIP 2. SLOP 3. SLAP 4. SLIDE 5. SHADE
