

Effective Use of PE and Sports Premium at D'Eyncourt Primary School 2022-23

(Numbers provided by Summer 2020 Census- £16000 plus £10 per pupil Y1-6

270 pupils x £10= £2,700 + £16,000= £18,700)

Overall Aim

“Every child will enjoy increased participation in sporting activities and develop a healthier lifestyle”

D'Eyncourt Primary School will use its Sports Premium Grant to improve + PE and Sports participation across the school and will promote a healthy lifestyle for all children.

D'Eyncourt will offer an increasing number of children the opportunity to compete for our school in a rising number of Sporting events and improve the opportunity to develop the excellence of talented pupils. To this end, we now have discrete responsibility for sport, separate to PE.

The 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

The main aspects that we will develop are:

The engagement of all pupils in regular physical activity

- All pupils have 2 PE lessons a week and active break times and lunchtimes. Activities beyond the outdoor equipment are starting to be provided to facilitate further activity. School provides swimming for Year 3,4, 5 and 6 weekly and a variety of sport after school clubs.

The profile of PE and sport is raised across the school as a tool for whole-school improvement

- School has a leader for PE and sport

Increased confidence, knowledge and skills of all staff in teaching PE and sport

- The school will use Complete PE to raise the standard of teaching and learning, by upskilling teachers in PE through an online planning platform which will underpin progression and continuity in children's sporting skills

Broader experience of a range of sports and activities offered to all pupils

- School provides swimming for Year 3, 4, 5 and 6 weekly and a variety of sporting after-school clubs for all key stages.
- We are always looking at providing a broader balance of activities.
- This will be extended to offer additional after-school clubs to develop self-control and discipline.

Increased participation in competitive sport and sporting activities

- Increasing participation in sporting activities and local competition and encourage excellence in a wider range of sports. Increasing the opportunities to take part in inter-school competition will also raise levels of motivation and enthusiasm. The Sports Funding will fund the costs of participation in competitions, but more importantly the ever-increasing costs of transport to different venues.

Details of Grant 2022/23- Current Allocation- £18,700

Nature of Support

- 3 afternoons per week of after school clubs to provide pupils a range of sporting activities additional to PE lesson (36 weeks' x £120 per week) £4,320
- Support costs of additional transport to allow additional participation in sporting activity or new events. Estimated costs £3,000
- Additional swimming for pupils who are in Year 3 and 4. This is increase the % of pupils who are able to swim 25m by the end of year 6. Cost of lesson and transport £6,263
- Additional 3 afternoons per week of lunchtime clubs (School Sport & Education Package with Wolves Community Trust)- (36 weeks x £120 per week) £4,320
- Online planning platform to maintain high standards of teaching and learning in PE (£1,200)

Total spending 2022/23 £19,103

Observations of impact and outcomes at this point and access to funding by numbers of children-

over 80 representing D'Eyncourt at different Wolverhampton and local events.

School competed in the following events:

- Hockey
- Football
- Netball
- Cricket
- Multi-Skills
- Primary Games Wolverhampton

(Many events were cancelled in the autumn term due to covid-19)

<i>Swimming and Water Safety Data 2020/21</i>	<i>% of children</i>
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	66%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	72%
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	63%
Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes – all year 5 and 6 children attend swimming lessons each year.

Impact of PE and Sports Premium £18,700 2020-21

- Quality CPD was provided for all staff from Reception to Year 6 by Wolves Community Trust Coaches for PE and coaching (See impact report)
- All children had access to an increasing range of Sporting After School Clubs- eg Hockey, Football, Dance etc.
- Increased participation, motivation and enthusiasm in sporting activities.
- Children and parents becoming more aware of healthy lifestyles
- Sports Mark Bronze Award achieved 2021/22
