# MFL Curriculum Road Map

Our KS1 children are exposed to daily greetings and assembly instructions given in the French language which gives them time to adjust and practice their pronunciations. Speaking and listening in basic French, creates confidence building opportunities.

In KS2, our children study French. We aim to introduce the learning of the French language and the understanding of its culture in enjoyable and stimulating ways. We hope to embed the essential skills of listening, reading, speaking and writing through French study.
