

Start your D'Eyncourt journey - learning to be your BEST and becoming a member of the D'Eyncourt family.

Have your first taste of school life - lunch in the dinner hall, assemblies, Forest School, after school clubs, trips and performing in front of parents/carers.

As you develop and grow, show independence, curiosity and resilience in learning.

Graduate from Reception and transition into Key Stage 1. Learn how Year 1 and 2 works and understand what is different from EYFS.

You'll be part of a Year 1/2 mixed class and start your journey through the national curriculum.

You'll develop your technology skills, working on laptops and iPads and learn how to stay safe online.

EYFS

Make friends and build relationships with adults in school.

Enjoy stories together, counting, singing songs and learning through play.

Begin learning RWI phonics and your reading journey starts.

Develop key skills - listening to others, communication and showing respect.

Learn about being safe and the people who can help us.

KS1

Develop your reading skills as you move through RWI and start reading comprehension.

Develop your language skills and become immersed in powerful vocabulary from high quality texts.

You'll develop your maths skills and manipulate numbers in different ways.

D'Eyncourt Primary Road Map

You'll learn what it means to be our BEST and celebrate this in assemblies where you can achieve the BEST award by showing our key values.

A variety of after-school clubs are available to you organised by D'Eyncourt staff and The Wolves Foundation.

You will learn about the history and geography of the UK and explore British and World history.

Your swimming lessons will start and you will learn about safety around water.

You'll develop your reading and writing skills reading high quality books.

LKS2

You'll experience your first night away from home with your friends at our Kingswood residential.

You'll learn about inspirational people who have helped the world become what it is today.

You'll complete the Year 1 Phonic check and end of Key Stage 2 assessments.

You can learn to play an instrument or join a rock band with Rock Steady.

You'll practise times tables using TTRS

You'll develop a deeper understanding of maths and partake in the Year 4 Multiplication check.

You begin to get more responsibility around school and roles become available such as Peer Mentors, Well-being Ambassadors and Digital Ambassadors.

You will have the opportunity to take part in various sporting competitions and tournaments facing other schools across the city and celebrate Sports Day.

You will learn about the local area and explore Wolverhampton's past.

You'll transition into Key Stage 2 and learn what it is like to be in the Juniors.

You'll experience different themed days and visits to enhance the curriculum.

You'll learn about mental health and how to look after your mental wellbeing.

UKS2

You'll continue your love for learning and develop valuable skills in English and maths.

Learn about the impact of war and show respect in the annual visit to our local memorial.

You'll make yourself proud in the end of KS2 SATs.

You'll experience your two-night residential to challenge yourself and push boundaries.

You'll celebrate all you've achieved with the end of Year 6 production, leavers assembly and party at D'EynFest!

You'll transition to high school and thrive using the skills you have learnt at D'Eyncourt.

You will celebrate and raise awareness for many important causes and charities.

You will have the chance to partake in Bikeability.

You are safe and you learn how to be safe at all times.

Celebrate religious events such as Eid, Diwali and Christmas and perform in school and at Carols around the Tree.

You get even more responsibilities including the opportunity to become a BEST Ambassador, representing our core values.

You'll apply for and visit high schools and make decisions about your future.

Leave a legacy of positivity, kindness, respect and being your BEST.
