The winning class last week was 5/6T with 97%

The winning class this week is 1/2H with 98.9%

Well done to these classes!

Celebrating Success Outside of School

Arusha, Mitchell, Ruby W, Rajvir- Swimming

Jessica M - Martial Arts

Mitchell- Football

Well done everyone!

It has been another busy fortnight here at D'Eyncourt and we are hoping that Spring will arrive soon! Thank you all for your patience and understanding with the arrangements that were put in place to help the school cope with the challenging weather last week. We very much wanted to keep the school open on Friday, but we also wanted to give families notice to make plans to help keep everyone safe. The plans put in place seemed to work well so thank you to everyone. Hopefully that is the last of the snow for this academic year!

I have spoken to all of the children this week in assembly about Prime bottles in school. Please can these bottles remain at home as some children have been bringing them in for their drink. Children can bring a water bottle containing water/squash. Thanks for your support with this.

Well done to years 1 and 2 who put on a wonderful Mother's day assembly this morning - it was lovely to see so many of you come and watch the performance. Thank you to Years 1 and 2 children and staff for working so hard putting it together.

I hope you all have a lovely weekend and enjoy Mother's Day.

Mrs D Darby, Headteacher

Dates for your diary

March 2023

20th, 21st - Reception children - height and weight checks with School Nurse

22nd - Year 1 Phonics meeting for parents - 3.20 - 3.45pm

Red Nose Day 2023

This year for Red Nose Day, the school council have arranged a joke competition. All children had the chance to tell their best joke this afternoon and we had such fun sharing these with each other. Each class chose their winning joke and these will be shared on Class Dojo! Enjoy reading D'Eyncourt's best jokes!

Greenhouse Project

During the second half of Summer term, we plan to complete a whole school STEM project to build our own greenhouse on the school field. Which can be accessed, throughout the school year, during children's science lessons.

To be able to complete this project we need as many plastic 2L bottles as possible. We are aiming to get around 1000 bottles or more. Currently, we are getting close to the half way mark.

So please bring in your recycling to help us reach our goal in time for our project to begin. The children will receive a dojo for every bottle they bring in!

Thank you for your continued support.

Year 1 and 2 Girls' Football

Last week, twelve Year 1 and 2 girls represented D'Eyncourt at a girls' football festival held at Aldersley Stadium. Accompanied by Mrs McCambley and Mrs Dance, the girls all improved their football skills and had a fabulous time! As usual, they were polite and kind to everyone and made a great impression with the festival organisers. Well done girls!

Punctuality

We are noticing a number of children arriving to school late in the mornings. Please can we remind you that the gates open at 8:40am and any children who arrive after 8.50 are recorded as late. We will be monitoring all pupils that repeatedly come to school after this time. Thank you for your support.

Mother's Day Assembly

A big well done to Years 1 and 2 who performed their Mother's Day assembly this morning in the hall. The children learnt some fabulous songs and spoke so clearly and proudly about the people who mean the most to them. We hope you enjoyed the performance. As always, it is so lovely to have parents and carers in school again to see performances like this. Well done to all of the children and the staff. We hope you have a lovely Mother's Day on Sunday.

Parents Evening

On Monday your child will receive a letter with information on how to book an appointment for Parents Evening. Please make an appointment to see your child's teacher using the online system. Parents Evening will be held on Thursday 23rd March. We look forward to seeing you there.

British Science Week 2023

It has been a successful week for British Science Week 2023. We are so impressed with all the hard work and dedication the children have put in this week with their learning. The theme this year was 'connections' so the children have been learning about the body and animals and how we are all connected.

Miss Gill has made a wonderful display of all the work the children have completed this week and we are still working on our Greenhouse project which will continue after Easter.

Thank you for the donations of plants that we have received so far. Mr Taylor and a group of enthusiastic gardeners are busy planting seeds at the moment so hopefully the Reading Garden will be looking tip-top very soon. If you have any more donations, please bring them in. Thank you to you all, we really do appreciate the continued support you bring each and every day.

Year 1 Phonics Meeting, Year 2 and 6 SATs Meetings

In the coming weeks, we will be holding parent meetings for Year 1 parents about the phonics test and Year 2 and 6 parents meetings regarding the SATs. Please come along if you can to find out all relevant information.

Year 1 Phonics - Wednesday 22nd March 3.20 - 3.45pm

Year 2 SATs - Wednesday 29th March 3.30 - 4.30pm

Year 6 SATs - Thursday 30th March 3.30 - 4.30pm
