Class Dojo

The winning classes last week were: **Reception** and **5/6T**

The winning classes this week were: **1/2PM** and **5/6P**

Well done everyone!

Attendance

The winning class last week was **Rec M** with 97.3%

The winning class for the term was **3/4C** with 97.9%

Well done to them!

I can't quite believe we are now entering July! We are looking forward to the next few weeks with lots of exciting things happening in school - transition days, productions, reception graduation and end of year celebrations. We also had class photographs this week which you will be able to purchase if you would like. We will let you know when they are available for order.

Our Sports Days this week and last week were a huge success and we thank you all for supporting these events. Thank you for supporting our policy of not taking photographs. We have a number of children in school whose pictures cannot be seen in the public domain and we have to respect their privacy at all times and safeguard them when in school. I was disappointed with a very small minority of parents who had to be reminded of these rules. We understand these events are special and you want to capture the memories, please be assured staff will take pictures of events that will be shared on our secure home learning pages.

At this time of year, the heat can make things uncomfortable in school. Please ensure that you do the following for your children: Provide a full water bottle each day. They will be able to refill this in school as often as they need. Apply sun cream before they attend school. Provide a named sunhat or cap to protect them from the sun. Thank you for your support,

Mrs D Darby, Headteacher

July 2023

Dates for your diary

- 3rd - Year 5/6 School Nurse Visit -SRE lesson
- 4th, 5th, 6th - Heath Park Transition Days
- 5th - Whole school Transition Day - children to visit their new classes for the day

Sports Days

Over the last couple of weeks, we have seen the whole school compete in their Sports days!

We had two fabulous days of sport! it was brilliant to see so many parents and carers at school supporting these events - thank you so much for attending. There is nothing better than seeing the children's faces light up when they see their parents/carers in the crowd. The children performed amazingly and we saw some great races. Well done to all of the children for taking part and thank you parents and carers for supporting us! Photos have now been uploaded to our home learning area.

Transition

Next week, a number of our year 6 children will be completing their transition days at their new high schools. We hope they enjoy their experience and feel prepared for their journey to secondary education. We will also be holding our in-school transition day next Wednesday, where children will be able to visit their new class and meet their new teacher for the day.

The Lion King Production

It's not long now until years 5 and 6 are ready to perform 'The Lion King' as their end-of-year production! They have been rehearsing, ready to astound you with a mix of acting, singing and dancing and it is sounding amazing!

To ensure everyone is safely accommodated, we are putting on two showings on Thursday 13th July, once at 9:30am and again at 1:45pm. The capacity of the hall is 90 people for each showing so we are allocating 2 tickets per child, which can be used at either the morning or afternoon performance or 1 at each if you wish!

To reserve your place at either performance please: log on to Pay360, select events, 'The Lion King' production, then the time/s you require. Any issues, please contact the school office.

(There is no charge for this event!)

Staff

We are very sad to let you know that we have three members of staff leaving us at the end of the year.

Mrs Palmer will be leaving us at the end of the term to have her baby. We wish Mrs Palmer all the very best and look forward to meeting the new arrival soon. Don't worry, she will be back at the end of next academic year. Miss Murphy will be taking on the role of Assistant Headteacher and SENDCO during Mrs Palmer's maternity leave.

Mrs Deeming, who currently supports in year 3 and 4, will be moving down south with her family to start a new life by the sea! We will miss her at school and wish her well on her new adventure.

Miss Hennessy, who works across the whole school, will also be leaving D'Eyncourt to start a new job as a Strengthening Families Worker. We are sure she will be fabulous in this role and although we will all miss her, we wish her well with her new career!

In September, Miss Lewis will be joining our team in Reception. She has recently completed her training with us in Year 3/4. We would like to welcome her to our D'Eyncourt family.

Year 1 and 2 Trip to Sandwell Valley

Year 1 and 2 thoroughly enjoyed their visit to Sandwell Valley last week. They became plant detectors where they identified different types of leaves and different types of plants. They looked in depth at the different types of bark on trees and created some bark prints. They also created some potion using different types of herbs and a little bit of magic water. All of the children also thoroughly enjoyed a story read to them in the forest.

The staff at Sandwell Valley praised both Year 1 and Year 2 for their polite behaviour whilst on site. Well done everyone!

Year 3 and 4 Explorer Dome States of Matter Science Visit

This week, the children in years 3 and 4 had a special visit from the Explorer Dome - States of Matter Show. They had a fantastic time watching the visitor show them a variety of experiments and get very excited about science. Even the staff were impressed with the science they saw. Thank you for all of your contributions for this event.

Sun Safety - reminder

Just a reminder, if it is a sunny day, please ensure children have sun hats and water bottles with them in school. If you wish, please send children into school wearing sun lotion as well. If you wish to send them in with the lotion, we are unable to apply it but we can direct them.
