## Celebrating Success Outside of School

Taytm - Earth Award at Scouts

Zachary M - Selected for Wolverhampton Football team

Jack P, Mollie-Mae - Swimming

Harleen, Baldeep - Cricket

Kaylem - Man of the match

Isla-Grace - Dance

Kian - Martial Arts

The first weeks of October have been busy ones here in school! Last week, we were discussing all things space for World Space week - the children worked hard to produce some super pieces of work and learnt some fabulous space-related facts. This week, has been Mental Health Awareness week culminating today with our HelloYellow Day - this has been an important week to share how we are feeling. We hope you have managed to have a chat about any worries at home.

Year 3 and 4 have had a busy couple of weeks visiting lots of local places in Wolverhampton. Last week they spent the day at Wightwick Manor exploring the history of the house and this week, they took a trip to Molineux! The children thoroughly enjoyed both trips and behaved brilliantly. Thank you for your support with these trips - they couldn't happen without your continued support.

Next week, we have a meeting for Year 6 parents and carers all about the SATs assessments that the children will face in May 2024. Staff will be available if you have any questions regarding the tests, Hopefully we will see you there!

We are really looking forward to the coming months as there are lots of events happening in school for you to get involved with. Over the next few weeks, we have our Harvest Assembly for year 5/6 and we have Wear Red Day to show racism the red card! I cannot believe we are nearly at half term! Have a wonderful weekend! ,

Mrs Darby (Headteacher)

## October 2023

## Dates for your diary

World Space Week OCTOBER 4-10

### World Space Week

Last week, all the children were working hard during their Science lessons for World Space Week. They all had different space themes. Reception were creating planets using marbles and paint. Year 1 and 2 created wonderful rockets and mobile stars using lots of different arts and crafts. Year 3 and 4 created stunning pictures of the solar system. Finally, Year 5 and 6 have been creating phases of the moon and part of black history month they have been learning about Mae Jemison, a female astronaut! The work the children have completed has been brilliant, and Mrs Corns has created a whole school display. Well done to all the children for their hard work and to the staff for creating fantastic lessons, for a very successful World Space Week!

### New Reception 2024 Open Evening

We would like to invite parents/carers of children starting Reception in September 2024 to our Open Evening on Thursday 9th November 5pm until 7pm. Please share this with family and friends.

### D'Eyncourt Christmas Fayre

We are very excited to announce that this year marks the return of our D'Eyncourt Christmas Fayre on Thursday 14th December, from 3:30-5:30. We are really looking forward to welcoming our school community into school.

Staff will be organising a range of activities and games but we need your help! Do you, or anyone you know run a small business that would like a stall at the fayre? Tables are available for the small fee of £12. If you require more space, you can purchase two tables for £20. Any profits that you make on the day are yours to keep.

We are also looking for some fantastic raffle prizes such as physical merchandise or vouchers for products and/or services. If you are interested, please contact either the office staff for more information.

### Year 3/4 Wightwick Manor and Molineux Trips

Year 3/4 have had a busy couple of weeks exploring Wolverhampton visiting Wightwick

Manor last week and The Molineux stadium this week. Linked to their local area study in history and geography, the children have learnt about what life was like in a manor house and about the careers available at Wolves Football Club. The staff who worked at both venues were impressed with the children on both trips and said that their behaviour was impeccable. Well done year 3 and 4. We hope you had a fabulous few days out of school. Thank you parents and carers for your support with these trips.

### Picnic Lunch

Last week on Thursday, the children enjoyed a special 'picnic lunch'. The children picked up their picnic boxes from the hall and enjoyed their sandwiches, veggie rolls cheese lattice and pizza with jelly and ice-cream for pudding! They all thoroughly enjoyed their lunch with their friends. Thank you for supporting this!

#HelloYellow

### Hello Yellow - Mental Health Awareness

This week has been Mental Health Awareness week and in school we have been discussing how we can stay 'mentally healthy'. We hope you all took a look at TV's homework set this year, which involved talking to someone about any worries you may have.

Today, we celebrated HelloYellow day with each person wearing a token yellow item to show that we all have mental health. The children had chance to visit the HelloYellow photo booths today to raise awareness. Thank you for your support with this day.

### Year 6 Parents SATs Meeting

On Thursday 19th October, Year 6 parents are invited to a Welcome to Year 6 SATs meeting at 3.30pm in the school hall. This is an opportunity for parents and carers to find out about the SATs tests that the year 6 children will sit in May 2024. Staff will be available if you have any questions about the tests.

### Harvest Assembly

On Tuesday 24th October, Years 5/6 will perform their harvest assembly. We would love parents and carers of children in 5/6 to join us for this celebration. If you can, please donate any items of food for the harvest display from Monday 23rd October and bring into school so we can donate to the Good Shepherd Ministry. Thank you for your support with this.
