Mitchell, Taytm, Piper, Katrina, Ava, Madison Dear - Swimming

Aanya, Katrina, Saint- Martial Arts

Jake S, Lucas H, - Football

Teddy C, Grae C - Compton Care walk

Ava - Beaver award

Grace G - Brownies award

The children have had another successful fortnight in school. There have been lots of clubs starting including singing and various sports clubs run by Wolves which has been fantastic to see. Year 6 have started their breakfast boosters this week - thank you for your support with bringing the children to school early. We had 30 children practising their skills this week before school which was amazing!

D'Eyncourt events have started as well over the last few weeks with TTRS and Numbots day last Friday and today we have celebrated European Day of Languages. Thank you for your support with costumes and outfits for these events - it's days like this that the children remember from their primary school life. Some of the robot costumes were amazing so thank you so much! This week has culminated with our Macmillan cake sale and the children today have enjoyed themselves buying cakes and biscuits for this worthy cause. Thank you for your support with all of these events - we couldn't do them otherwise!

We have said a sad farewell to Mrs Paul today, one of our lunchtime supervisors, who is leaving us to focus on her other career. We wish her well and hope she has enjoyed her time at D'Eyncourt. We still have Mr Turner with us for the time being as we are still looking for a new caretaker.

Mr Turner will be retiring from D'Eyncourt this year and I'm sure you will agree that the school won't be the same without him. Have a lovely weekend,

Mrs Darby (Headteacher)

### October 2023

1st - Black History Month

2nd - World Space Week - activities in school

4th - Year 3/4 Visit to Wightwick Manor

### European Day of Languages

Salut! Today we have been celebrating European Day of Languages.

Children spent the afternoon completing activities relating to the country they were allocated. Each class explored the world around them and now have a better understanding of different cultures across Europe. Today, children in Reception celebrated France, Year 1 and 2 celebrated Spain, Year 3 and 4 celebrated Italy and Year 5 and 6 celebrated Germany. The children had a fantastic time learning about the different cultures! See Class Dojo for pictures. Thank you everyone for your support with this!

### Times Tables Rock Stars/Numbots Day

A huge thank you for your support with TTRS and Numbots day last week - the children looked incredible! Thank you for your support with costumes and outfits! The children should all have their logins now to use the software to support their maths learning. Even 30 minutes a week can make a huge difference to children's number fact knowledge. If you have any problems with logging in, please contact your child's class teacher.

### Macmillan Cancer Support Cake Sale

Today we held our annual cake sale to raise funds for Macmillan Cancer Support. The children had the opportunity buy from a huge selection of cakes and biscuits. Thank you so much for all of the donations of cakes and biscuits we received - the choice was incredible! We will update Class Dojo with the total we have raised for Macmillan Cancer. All donations will go straight to Macmillan Cancer Support.

### Year 6 Booster sessions

To support our pupils in Year 6, SATs Booster Groups in English and Maths have started at 8.00am on Wednesday and Thursday mornings - they will continue weekly. These are aimed as fun sessions where the children have the opportunity to practise their skills and staff can cover some topics that the children would like to revisit. All year 6 pupils are welcome to attend. Pupils should come through the main school reception by the office to come down to 5/6P on Wednesday and 5/6T on Thursday. If your child would like to attend these groups, please get a letter from Mr Pearce.

### Picnic Lunch

Your child should have received a letter regarding the special 'Picnic Lunch' on 5th October 2023. There will be a picnic lunch available on this day including sandwiches, veggie roll, cheese lattice and pizza with jelly and ice-cream, shortbread or fruit. Please return the form if you would like your child to have the special lunch even if your child is entitled to free school meals. Thank you.

### Cauliflower Cards

Over the next few days/weeks your child will be bringing home their Cauliflower Cards Design for you to look at! You can purchase cards, mugs, books, labels and wrapping paper with your child's design which can be ordered online. You must then return the form with the design on by 25th October, for the company to collect the artwork and create the order in time for Christmas! We hope you will support us in this project once again! Thank you!

### Parking Promise

A big thank you to all parents and carers who have signed up to our new 'Parking Promise' - you will receive your badge on Monday to place in your car when you park around the school site. I am sure you will agree with me that parking around the school site is a problem and if we can all make a little step in helping the situation, it could make a huge difference. Please remember that the parking restrictions found around schools are there to protect the safety of all children, including your own. Thank you for your support with this.

### Secondary School Admissions

The deadline is creeping closer to apply for secondary school admissions. Some schools are offering virtual tours so check out any websites of schools you are considering. Admissions must be completed by 31st October 2023. If you require further details please visit [www.wolverhampton.gov.uk/admissions](http://www.wolverhampton.gov.uk/admissions)
