The winning classes this week were: 1/2M and 3/4RB

Well done to these classes.

Attendance

The winning class last week was 1/2H with 97.7%

The winning classes this week were: Reception L with 98.2%

Well done!

Celebrating Success

Finley S, Alfie T, Niall D,
Kian D - Swimming

Isabella W - Dance

Sehaj - Football

Niall D, Kian D - Gymnastics

The newsletter is slightly later this fortnight due to our BEST assembly being delayed due to Year 3 and 4's amazing production of 'Rumble in the Rainforest!' I must say, it was truly spectacular and the children and staff put on a wonderful show! The school got to see the sneak peek on Thursday and then the children performed for parents and carers on Friday. Seeing the children perform with such confidence was incredible. It was clear that they loved performing and they shared a very important message about the dangers to the rainforest. Well done to the children and staff involved.

Thank you to the Year 6 parents and carers for attending the meeting regarding the residential to Pioneer Centre this week- we hope you found it informative. The children are so excited for their visit which will be here before we know it!

A HUGE thank you to all of the families who sponsored the penalty shoot out last week, we raised a huge £1383.26 for school fund which is incredible. Thank you so much!

With the Year 3/4 production and our celebration of Earth day last week, it has proved that D'Eyncourt really does care about the planet and our team of Eco-warriors continue to bring in initiatives to support this. We have many passionate children at D'Eyncourt! Thank you for joining our cause too and supporting us. It really means a lot.

Mrs D Darby, Headteacher

Dates for your diary

April 2024

30th - Year 5/6 visit to Harry Potter Studios

May 2024

1st - Reception visit to Ash End Farm - See Class Dojo for details

2nd - Polling Day - Remote learning day - information for the day will be shared on Class Dojo

6th - May Day - school closed for pupils

8th - Y4 - Bikeability training - See Class Dojo for details

13th - 16th - KS2 Year 6 SATs Week

21st - Year 3/4 Popcorn Party - More information to follow

23rd - Outdoor Classroom Day - children complete learning outside!

24th - Break the Rules day! - more details to follow

24th - Break up for Half Term

June 2024

3rd - Children return to school

3rd - 5th - Year 6 Residential Visit to Pioneer Centre

2022-2025

Year 3 and 4 'Rumble in the Rainforest'

Years 3 and 4 shared their wonderful performance of 'Rumble in the Rainforest' to parents and carers. Thank you so much to all of the audience for coming - the hall was packed! The confidence that the children showed was commendable and it showed how passionate the children are about making a difference in the world. It was a wonderful way to bring their Geography topic to life. A big well done to the children in years 3 and 4 and well done to the staff for putting it together.

Year 3 and 4 visit to Telford's Exotic Zoo

Year 3/4 had a wonderful day exploring the Exotic Zoo in Telford and finding out about the animals that live in the rainforest. The sun made an appearance and the children spent the day exploring the zoo, handling animals and sketching their favourites. The children proved that they knew an awful lot about the animals who live in the rainforest.

The children were amazing and asked some very insightful questions. The staff at the zoo were so impressed with their rainforest knowledge. Well done to years 3 and 4!

Year 6 Pioneer Meeting

Thank you to all of the Year 6 parents and carers who attended the Pioneer meeting last week - we hope you found it informative. Thank you to all of the parents and carers for returning the key information forms, this is much appreciated. We need the final forms in by Friday 3rd May. Thank you for your support with this. Let's hope the weather cheers up a bit before we go!

Terra-Cycle!

As you will have seen, we have a new recycling station outside of the school gates. We have teamed up with a charity called Terra-Cycle and have become a general public drop off point for our local community. Teaming up with Terra-Cycle allows us the opportunity to earn money for our school simply by recycling and raising funds with this charity. When you recycle with them, we will earn points for each shipment of hard-to-recycle rubbish we send in. These points can then be redeemed as a donation for our school! This is a fantastic opportunity to be more Eco-friendly and better yet, we will help inspire the next generation of recyclers. Anything you can recycle will be gratefully received, it will also stop your bins from overflowing!

Eco-Committee Top 5 tips for saving energy

- When using the dishwasher, it's best to wait for a full dishwasher before running a cycle and try washing at the lowest recommended temperature.
- Kettles are one of the most overused appliances in any household and most of us fill the kettle to the top. Only fill the kettle with the amount of water you need.
- When it comes to cooking for the family, try using the right-sized hob and cook with the saucepan lids on.
- If you need to reheat food, use the microwave instead of an oven. They heat up food quicker, therefore making them more efficient.
- Don't leave your computer on standby, make sure you turn it off each day.

Earth Day

April 22nd was Earth Day and this year the theme was 'Planet vs. Plastic'. Through our Eco-committee we are always thinking of ways to reduce the amount of plastic we use and how we can recycle as much as we can. Through school this week, we have thought of the ways we could reduce the amount of plastics we are using in everyday life and the children have come up with some fantastic suggestions. On Friday, we had a 'switch off' afternoon where we tried to not use technology! Reception spent the afternoon outside playing games, Year 1/2 spent their afternoon exploring our Wild Tribe area, Year 3/4 were performing their play for parents and carers and Year 5/6 took to the field to play cricket! Thank you for your support.

Sponsored Soccer Day

On 18th April we held our sponsored Penalty Shootout and, once more, because of your support, we have raised £1383.26 for school funds!

Thank you so much for your efforts and to our pupils for diligently waving the sponsorship flag. We have all had a great day meeting Ballboy and trying to score against him.

Thank you so much for your support!

Thursday 2nd May - Remote Learning Day

Remember, Thursday 2nd May is polling day and school will be closed to pupils. Remote learning will be provided for all year groups. Check Class Dojo for details.
